[Mr. M. Govindan.]

convenience and comforts of travellers and pilgrims who resort to the Cape. Let there be two satrams at Cape Comorin since it is a very important place. But one should not be built for one particular set alone, *viz.* the untouchables.

Mr. M. N. Paramesvaran Pillai: In the agenda it is stated that under definite instructions from the Government the various Demands for the year 1110 will be moved, in the order and manner given in the agenda. This Demand is put down in the name of Mr. N. Govinda Pillai. I wish to know whether the President by a ruling could vary the direction so given by the Government in the matter?

Chairman: Is there any previous ruling in the Lower House?

Mr. Kayalam Paramesvaran Pillai: In case the Government request the permission from the Chair for a particular member to move the demand it can be done so.

Mr. A. N. Visvanatha Pillai: തിരുവിതാംകൂറിലെ കൌൺസിലിൽ ഇതുപോലെയുള്ള ഒരു പ്രീസിഡൻറ് ഉണ്ടായിട്ടുണ്ടോ?

Mr. M. N. Paramesvaran Pillai: May I know on what Standing Order does the honourable Law Member base his opinion?

Mr. Kayalam Paramesvaran Pillai: On what standing order does the honourable member raise the point of order?

Mr. K. P. Nilakanta Pillai: Generally a point of order could be raised at any time whether it is controlled by the Regulation or Rules. With reference to the procedure of this House, at any moment any point of order could be raised whether it is covered by the Regulation or Rules.

Chairman: The member has to state clearly his reason to raise a point of order. What is the violation he finds here?

Mr. K. P. Nilakanta Pillai: That is a question of general principle. Recently the Law Member explained to this House that the sole power to regulate the business of the House in alloting the number of days, etc., rests with the Dewan and so the President is not competent to allot more days, etc. If that be so the Dewan has instructed a particular officer to move this Demand. Now I ask the question whether in the absence of that officer, the President is competent to authorise any one else to move that Demand. This is the point of order and it need not definitely be stated under what provision of the Rules or the Regulation it is stated.
